

***It's easy to order!***

Your *Christmas Family Birthstone Tree* is permanently imprinted with everyone's name and birthdate, and beside each name is their sparkling birthstone. Marriage dates and symbols can also be included. The gleaming metal plate is mounted on walnut finished or solid black plaque ready to display for the holidays.

Use this order form to design your own special *Christmas Family Birthstone Tree*. Gather and organize the necessary names and birthdates the way *you* want them. Generally, the parents' names are at the base of the tree, the family surname and the occasion date beneath them, with the title or greeting at the top. There is space for the wedding date between the parents names. Family units are usually grouped on each side up and down the tree. Birthstones are set as ornaments on the branches.
